**Information Booklet
For
Under Graduate (MBBS) Students**

Agartala Govt. Medical College (AGMC) was established in 2005 to meet the medical need of the State and to impart a high standard of Medical Education and Service to our State and the other North Eastern parts of the country. With that perspective, along with students of our state, a good number of students from other states are admitted in Agartala Govt. Medical College every year. It helps interaction of our students with the students of other states having diverse cultures, standards, food habits, languages and grows a healthy sense of competitive attitude and National Integrity amongst them, as a member of the same family of AGMC.

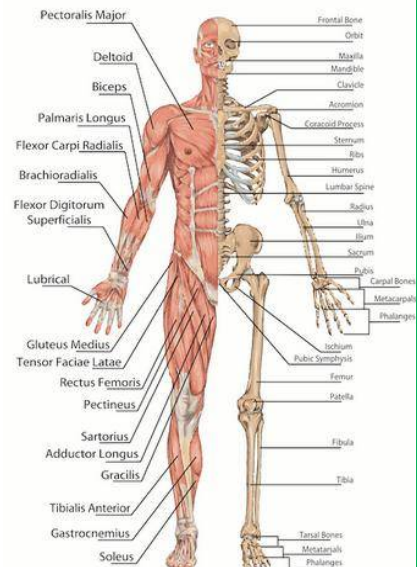

The Under Graduate Course and Post Graduate Courses in 15 Nos. of disciplines are conducted in Agartala Govt. Medical College.

Under Graduate

This year 125 students are admitted in this College. Out of 125 seats, 96 seats are filled up by the students of Tripura, 19 seats by the Central Govt. nominee and 10 seats by nominee of North Eastern States namely Mizoram (2 seats), Meghalaya (3 seats), Arunachal Pradesh (2 seats) and Nagaland (3 seats).

Undergraduate teaching, training, syllabus, courses, examinations etc. are carried out according to the rules and regulations of the Tripura University and as per Medical Council of India guidelines. Students are awarded MBBS degree on completion of 4 ½ years undergraduate education by Tripura University (A Central University).

1. Anatomy.
2. Physiology
3. Biochemistry.
4. Pathology.
5. Microbiology.
6. Pharmacology.
7. Forensic Medicine & Toxicology.
8. Community Medicine
9. General Medicine.
10. Psychiatry.
11. Respiratory Medicine.
12. Dermatology.
13. General Surgery.

14. Anaesthesiology.
15. Obstetrics & Gynecology.
16. Pediatrics.
17. Ophthalmology
18. Otorhinolaryngology (ENT).
19. Orthopaedics.
20. Dentistry.
21. Physical Medicine & Rehabilitation.

Eligibility for Admission for M.B.B.S. Course :

- a) **Age** - A candidate who has completed the age of 17 years on or before 31st December of the corresponding year is eligible for admission. Date of birth as recorded in the Madhyamik / 10th Standard / School Leaving Certificate issued by the concerned Board of Education will be taken as authentic.

In such cases, the transfer certificate will be issued and other documents returned only after payment of tuition fee for the entire course is made.
 - (iv) If any student discontinues the studies after one month of joining, he/she will be liable to pay the tuition fees for the entire course. In such cases the transfer certificate will be issued and other documents returned only after payment of tuition fees for the entire course.
 - (v) Migration to and from this College will be as per the guidelines laid down by MCI and as amended from time to time.
 - (vi) No Student shall report any matter of the College and Hospital to the Press, Police and Public without taking prior permission from the Principal of the College.
 - (vii) Every student must carry the Identity Card duly signed by the Principal of the College.

DRESS CODE

College uniform and sports dress would be worn during college hours and while on college play ground respectively.

DISCIPLINE

1. Ragging, in any form is prohibited and shall not be tolerated at all.
2. It is expected that all students shall dress, behave and conduct themselves inside and outside the College in a manner befitting a medical student who shall one day become a respected member of society.
3. Students should always be polite and considerate of others especially to the fellow students, patients and their relatives, Teachers and other Staff members of the College.
4. During Class hours all students shall wear a white full sleeved apron over their Uniform throughout the course.
5. Students shall not use mobile phones during College hours & Examinations.
6. Consumption of alcoholic drinks, smoking and any form of intoxication is completely prohibited in the College and Hospital Campus.
7. Any breach of discipline or failure to carry out the orders of the Principal shall be dealt with strictly and might even result in expulsion of the student from the College and/or filing of an FIR at the police station.
8. The rules and regulations as prescribed and displayed in the hostel would be strictly followed.
9. This is an Institution meant for higher learning and the objective is not only to impart education but also to build the character of the students and transform them into a better human being. Students are expected to observe absolute discipline in their conduct during the entire period they spend in the institution. Failure to observe absolute discipline will invite appropriate disciplinary action.

Offences & Punishment

- For all offences committed in the College or Hospital premises the Principal may at his discretion refer the case to the College Disciplinary Committee, which shall have the power to investigate and recommend to the Principal, who may or may not seek the ratification of these recommendations.
- After considering the recommendations of the College Disciplinary Committee, if sought for, the **Principal will take necessary disciplinary action including filing FIR with the local police against those who rag or abet ragging.**

Ragging :

- **Ragging is prohibited by law and order of the Hon'ble Supreme Court of India.** The Medical Council of India has instituted clear-cut guidelines to curb the menace of ragging.

Ragging includes any or all of the following :

- Mental/ Physical / Sexual abuse
- Verbal abuse
- Violation of decency
- Criminal intimidation / Wrongful restraint
- Undermining human dignity
- Financial exploitation / Extortion
- Use of criminal force

(EACH OF THE ABOVE IS A CRIMINAL OFFENCE)

A student indulging in ragging can be :

- * Expelled from the institution
- * Banned from the Mess / Hostel
- * His / her scholarships can be withdrawn
- * Debarred from examinations
- * Debarred from admission to any institution
- * Criminally Prosecuted

Agartala Government Medical College has a Zero Tolerance Policy towards ragging.

Important Notice

All newly admitted Under Graduate students of AGMC Batch 2017-18 that, as per decision of Hon'ble Supreme Court and Regulations of UGC, 2009, Ministry of Human Resource Development (MHRD), Government of India and Medical Council of India (MCI) for Anti Ragging, all of them and their parents will have to submit mandatorily an online Anti Ragging undertaking every academic year in the portal www.antiragging.in.

For submission of online Anti Ragging undertaking, MHRD has developed this online facility which has to be filled up online in the section '**Click here to download your Anti-Ragging Undertaking**' in the portal www.antiragging.in by all students and their parents/guardians.

The hard copy of successful completion of undertaking will have to be submitted to the Central Library, AGMC, immediately.

<https://www.nmc.org.in/ActivitiWebClient/open/getDocument?path=/Documents/Public/Portal/Gazette/GME-06.11.2019.pdf>

However, Some Salient features of the course are given below:

Academic Calendar for MBBS Course :

Duration	--	Four and half years
Compulsory Rotatory Internship	--	One year
Total Duration	--	4 ½ + 1 = 5 ½ years

Agartala Government Medical College conducts a four and a half years course followed by a one year period of compulsory rotating internship, which shall lead to the award of the M.B.B.S. degree by the Tripura University (A Central University). Students must secure at least 50% marks of the total marks (combined in theory and practical / clinical; not less than 40 % marks in theory and practical separately) assigned for internal assessment in a particular subject in order to be eligible for appearing in the final University examination of that subject.

The period of 4 ½ years is divided as follows:

Pre-Clinical Phase (Phase I) - First Professional phase of 13 months preceded by Foundation Course of one month. Phase I will consist of preclinical subjects - Human Anatomy, Physiology, Biochemistry, introduction to Community Medicine, Humanities, Professional development including Attitude, Ethics & Communication (AETCOM) module and early clinical exposure.

Para-clinical phase (Phase II) - Second Professional (12 months) will consist of Para-clinical subjects namely Pathology, Pharmacology, Microbiology, Community Medicine, Forensic Medicine and Toxicology, Professional development including Attitude, Ethics & Communication (AETCOM) module and introduction to clinical subjects. A part of training during clinical postings should take place at the primary level of health care.

Clinical Phase - (Phase III)- Third Professional (28 months)

- (a) Part I (13 months) - The clinical subjects include General Medicine, General Surgery, Obstetrics & Gynaecology, Pediatrics, Orthopaedics, Dermatology, Otorhinolaryngology, Ophthalmology, Community Medicine, Forensic Medicine and Toxicology, Psychiatry, Respiratory Medicine, Radiodiagnosis & Radiotherapy and Anaesthesiology & Professional development including AETCOM module.
- (b) Electives (2 months) - For diverse learning experiences, to do research/community projects that will stimulate enquiry, self-directed experimental learning and lateral thinking.
- (c) (c) Part II (13 months) - Clinical subjects include :
 - (i) Medicine and allied specialties (General Medicine, Psychiatry, Dermatology Venereology and Leprosy (DVL), Respiratory Medicine including Tuberculosis).
 - (ii) Surgery and allied specialties (General Surgery, Orthopedics [including trauma]), Dentistry, Physical Medicine and rehabilitation, Anaesthesiology and Radiodiagnosis)
 - (iii) Obstetrics and Gynecology (including Family Welfare)
 - (iv) Pediatrics
 - (v) AETCOM module

Distribution of subjects by Professional Phase :

Phase & year of MBBS training	Subjects & New Teaching Elements	Duration	University examination
First Professional MBBS	Foundation Course (1 month) <ul style="list-style-type: none"> • Human Anatomy, Physiology & Biochemistry, introduction to Community Medicine, Humanities • Early Clinical Exposure • Attitude, Ethics, and Communication Module (AETCOM) 	1 + 13 months	I Professional
Second Professional MBBS	Pathology, Microbiology, Pharmacology, Forensic Medicine and Toxicology, <ul style="list-style-type: none"> • Introduction to clinical subjects including Community Medicine • Clinical postings • Attitude, Ethics & Communication Module (AETCOM) 	12 months	II Professional
Third Professional MBBS Part I	General Medicine, General Surgery, Obstetrics & Gynecology, Pediatrics, Orthopedics, Dermatology, Psychiatry, Otorhinolaryngology, Ophthalmology, Community Medicine, Forensic Medicine and Toxicology, Respiratory medicine, Radiodiagnosis & Radiotherapy, Anesthesiology <ul style="list-style-type: none"> • Clinical subjects /postings • Attitude, Ethics & Communication Module (AETCOM) 	13 months	III Professional (Part I)

Electives	Electives, Skills and assessment *	2 months	
Third Professional MBBS Part II	General Medicine, Pediatrics, General Surgery, Orthopedics, Obstetrics and Gynecology including Family welfare and allied specialties • Clinical postings/subjects • Attitude, Ethics & Communication Module (AETCOM)	13 months	III Professional (Part II)
*Assessment of electives shall be included in Internal Assessment.			

Attendance in the Class

- (1) Attendance requirements are 75% in theory and 80% in practical /clinical for eligibility to appear for the examinations in that subject. In subjects that are taught in more than one phase - the student must have 75% attendance in theory and 80% in practical in each phase of instruction in that subject.
- (2) If an examination comprises more than one subject (for e.g., General Surgery and allied branches), the candidate must have 75% attendance in each subject and 80% attendance in each clinical posting.
- (3) Students who do not have at least 75% attendance in the electives will not be eligible for the Third Professional - Part II examination.

UNIVERSITY EXAMINATION

University Examinations shall be held as under :

(a) First Professional

1. The first Professional examination shall be held at the end of first Professional training (1+12 months), in the subjects of Human Anatomy, Physiology and Biochemistry.
2. A maximum number of four permissible attempts would be available to clear the first Professional University examination, whereby the first Professional course will have to be cleared within 4 years of admission to the said course. Partial attendance at any University examination shall be counted as an availed attempt.

(b) Second Professional

1. The second Professional examination shall be held at the end of second professional training (11 months), in the subjects of Pathology, Microbiology, and Pharmacology.

(c) Third Professional

- [1] Third Professional Part I shall be held at end of third Professional part 1 of training (12 months) in the subjects of Ophthalmology, Otorhinolaryngology, Community Medicine and Forensic Medicine and Toxicology
- [2] Third Professional Part II - (Final Professional) examination shall be at the end of training (14 months including 2 months of electives) in the subjects of General Medicine, General Surgery, Obstetrics & Gynecology and Pediatrics. The discipline of Orthopedics, Anesthesiology, Dentistry and Radiodiagnosis will constitute 25% of the total theory marks incorporated as a separate section in paper II of General Surgery.

3. The discipline of Psychiatry and Dermatology, Venereology and Leprosy (DVL), Respiratory Medicine including Tuberculosis will constitute 25% of the total theory marks in General Medicine incorporated as a separate section in paper II of General Medicine.

Marks distribution for various subjects

Phase of Course	Written-Theory - Total	Practicals/Orals/Clinicals	Pass Criteria
First Professional			Internal Assessment: 50% combined in theory and practical (not less than 40% in each) for eligibility for appearing for University Examinations. University Examination Mandatory 50% marks separately in theory and practical (practical = practical/ clinical + viva)
Human Anatomy - 2 papers	200	100	
Physiology - 2 papers	200	100	
Biochemistry - 2 papers	200	100	
Second Professional			
Pharmacology - 2 Papers	200	100	
Pathology - 2 papers	200	100	
Microbiology - 2 papers	200	100	
Third Professional Part - I			
Forensic Medicine & Toxicology - 1 paper	100	100	
Ophthalmology - 1 paper	100	100	
Otorhinolaryngology - 1 paper	100	100	
Community Medicine - 2 papers	200	100	
Third Professional Part - II			
General Medicine - 2 papers	200	200	
General Surgery - 2 papers	200	200	
Pediatrics - 1 paper	100	100	
Obstetrics & Gynaecology - 2 papers	200	200	
In subjects that have two papers, the student must secure at least 40% marks in each of the papers with minimum 50% of marks in aggregate (both papers together) to pass in the said subject.			

A student shall not be entitled to graduate later than ten (10) years of her/his joining the first MBBS course. No more than four attempts shall be allowed for a candidate to pass the first Professional examination. The total period for successful completion of first Professional course shall not exceed four (4) years. Partial attendance of examination in any subject shall be counted as an attempt.

A student, who fails in the second Professional examination, shall not be allowed to appear in third Professional Part I examination unless she/he passes all subjects of second Professional examination. Passing in third Professional (Part I) examination is not compulsory before starting part II training; however, passing of third Professional (Part I) is compulsory for being eligible for third Professional (Part II) examination.

Compulsory rotating internship (Phase IV)

Students will undergo compulsory rotating internship of one calendar year duration. No university examinations are held during this period. However assessment of work done by the student and his/her behavior and performance shall be monitored by the Head of the Department concerned as well as the Faculty member(s) under whom they are posted. Independent assessment shall be made by the Medical Superintendent of G. B. Pant Hospital and the Principal of the College. If they are all satisfied with the student's attendance, conduct, behaviour, knowledge and work including minimum skills acquired, they shall issue a certificate of satisfactory completion of internship. This is mandatorily required of the student from the College to obtain a Permanent Registration Certificate from the Medical Council of India without which they cannot practice medicine in India. During this period the interns are paid stipend by the College.

Time Distribution of Internship

Community Medicine (Residential posting) - 2 months

General Medicine including 15 days of Psychiatry - 2 months

General Surgery including 15 days Anaesthesia - 2 months

Obstetrics & Gynaecology including Family Welfare Planning - 2 months

Pediatrics - 1 month

Orthopaedics including PM & R - 1 month

Otorhinolaryngology - 15 days

Ophthalmology - 15 days

Casualty - 15 days

Elective posting (1x15 days) - 15 days

Subjects for Elective posting will be as follows:

1. Dermatology, Venereology & Leprosy
2. Respiratory Medicine
3. Radio diagnosis
4. Forensic Medicine & Toxicology
5. Blood Bank
6. Psychiatry

Rules of Hostel

- The hostel accommodation will be given to students seeking admission in the Medical College.
- There are separate hostels for boys and girls.
- Seats shall be allotted by the Hostel Superintendent.
