10/12/18	i) Patient Shifting/Transfer (Didactic Lecture)	Dr. Vaskar Majumder, Assistant Professor, Department of Anaesthesiology, AGMC & GBP Hospital
	ii) Fetal skeletal dysplasia – multimodality imaging (Clinical Case Presentation)	Dr. Paarth Vaish, PGT, Department of Radio-Diagnosis, AGMC & GBP Hospital
12/12/2018	“Precision Medicine & Global Scenario” (Guest Lecture)	Prof. (Dr.) Dhanpat Jain, MD, Professor of Pathology, Yale Univ. School of Medicine USA

Date	Topic	Resource person/ Speaker
25/02/19	i) History of Anatomy (Didactic Lecture)	Dr. Pranab Deb, Tutor, Department of Anatomy, AGMC & GBP Hospital
	ii) Theories of Ageing (Didactic Lecture)	Dr. Satabdi Saha, Medical Officer, Department of Physiology, AGMC & GBP Hospital
	iii) Malignant melanoma in anal canal – A case report (Clinical Case Presentation)	Dr. Nazaru Debbarma, PGT, Department of General Surgery, AGMC & GBP Hospital
	iv) An unusual case of jaundice (Clinical Case Presentation)	Dr. Subhadip Paul, PGT, Department of General Medicine, AGMC & GBP Hospital
11/03/19	i) GFR: The best candidate for renal function test from laboratory perspective (Didactic Lecture)	Dr. Partha Sarathi Pal, Assistant Professor, Department of Biochemistry, AGMC & GBP Hospital
	ii) An unusual case of anaemia with hepatosplenomegaly (Clinical Case Presentation)	Dr. Prasenjit Das, PGT, Department of Paediatrics, AGMC & GBP Hospital.
10/4/19	i) Sarcoidosis in an uncommon setting (Didactic Lecture)	Dr. Sumana Ghosh, Tutor, Department of Pathology, AGMC & GBP Hospital
	ii) Newer drug delivery system (Didactic Lecture)	Dr. Dipankar Chakraborty, Tutor, Department of Pharmacology, AGMC & GBP Hospital
	iii) An uncommon case of collapse of lung (Clinical Case Presentation)	Dr. Anjan Das, Associate Professor, Department of Respiratory Medicine, AGMC & GBP hospital
	iv) Diagnostic dilemma of a common disease (Clinical Case Presentation)	Dr. Dibakar Debbarma, PGT, Department of Obst. & Gynae , AGMC & GBP Hospital
10/05/19	i) Antimicrobial Resistance Surveillance in AGMC – an overview (Didactic Lecture)	Dr. Debasis Barman, Asstt. Professor, Department of Microbiology, AGMC & GBP hospital
	ii) Mental Health Care Act 2017 (Didactic Lecture)	Dr. Bhaskar Deb, PGT Dept. of FM&T, AGMC & GBP Hospital
	iii) Neuroleptic malignant syndrome – a rare case (Clinical Case Presentation)	Dr. Manjulika Debnath, PGT, Deptt. of Psychiatry, AGMC & GBP Hospital
	iv) Spinal emergency thoracolumbar fracture – a case presentation (Clinical Case Presentation)	Dr. Narenjit Das, PGT , Dept. of Orthopaedics, AGMC & GBP Hospital.

Date	Topic	Resource person/ Speaker
10/06/19	i) Understanding Plagiarism and its impact on Medical Research (Didactic Lecture)	Dr. Rituparna Das, Asstt. Professor, Deptt. of Community Medicine, AGMC & GBP hospital
	ii) Diabetic Retinopathy (Didactic Lecture)	Dr. Dipanjali Majumder, PGT, Department of Ophthalmology, AGMC & GBP Hospital
	iii) Penicilliosis – a case report (Clinical Case Presentation)	Dr. Ranjit Chandra Das, Asstt. Professor, Deptt. of Dermatology, AGMC & GBP Hospital
	iv) Immature teratoma with unusual peritoneal gliomatosis – a rare case (Clinical Case Presentation)	Dr. Kashish Garg, PGT, Deptt. of Obst. & Gynae, AGMC & GBP Hospital
12/07/19	i) Management of Paediatric Airway (Didactic Lecture)	Dr. Shatabdi Das, Medical Officer, Deptt. of ENT, AGMC & GBP Hospital
	ii) Management of AKI (Didactic Lecture)	Dr. Manas Gope, Senior Resident, Deptt. of General Medicine, AGMC & GBP Hospital
	iii) Anaesthetic management of a deeply lacerated injury involving face and upper airway (Clinical Case Presentation)	Dr. Rimjhim Chakma, PGT, Department of Anaesthesiology, AGMC & GBP Hospital
25/09/19	i) Management of abnormally invasive placenta – an overview (Didactic Lecture)	Dr. Sourish Debbarma, Asstt. Professor, Department of Obst. & Gynae, AGMC & GBP Hospital
	ii) Verbal autopsy and orientation of faculties for network expansion (Didactic Lecture)	Dr. Subrata Baidya, Assoc. Professor, Department of Community Medicine, AGMC & GBP Hospital
	iii) Pseudotumor – an unusual presentation (Clinical Case Presentation)	Dr. Vishnu Devaraj, PGT, Deptt. of Ophthalmology, AGMC & GBP Hospital
	iv) Non-invasive diagnosis of vascular pathologies by CT angiography – a case series (Clinical Case Presentation)	Dr. Subrata Paul, PGT, Deptt. of Radiodiagnosis, AGMC & GBP Hospital
	v) An unique case of foreign body removal in youngest ever patient in the Department of ENT, AGMC & GBP Hospital (Clinical Case Presentation)	Dr. Biswanath Das, PGT, Deptt. of ENT, AGMC & GBP Hospital

Date	Topic	Resource person/ Speaker
10/10/19	i) Importance of the World Mental Health Day - 2019	Dr. B. Roy, Asstt. Professor, Department of Psychiatry, AGMC & GBP Hospital
	ii) Suicide Prevention	Dr. P.J. Chakma, Registrar, Dept. of Psychiatry, AGMC & GBP Hospital
23/10/19	i) Bronchial Asthma (Guest Lecture)	Dr. Angira Dasgupta, MD, DNB (Pulmonary Medicine) Consultant at BR Singh Hospital & CMER, Kolkata
	ii) COPD (Didactic Lecture)	Dr. (Prof.) Sumita Mukherjee, HOD, Department of Respiratory Medicine, AGMC & GBP Hospital
25/10/19	i) Early breast cancer – a case report (Clinical Case Presentation)	Dr. Atanu Sengupta, PGT. Deptt. of General Surgery, AGMC & GBP Hospital
	ii) Conn's Syndrome – a case presentation (Clinical Case Presentation)	Dr. Nitish Das, PGT, Deptt. of General Medicine, AGMC & GBP Hospital
07/12/2019	Cancer Vision Goggles(CVG) to guide Cancer Surgery (Didactic Lecture)	Dr. Suman Bikash Mondol, Ph.D. Instructor of Radiology, Washington University School of Medicine.
10/12/2019	1. Nutrition in critically ill post operated patient. (Didactic Lecture)	Dr. Vaskar Majumder, Assistant Professor, Department of Anaesthesiology, AGMC & GBP Hospital
	2. Intensity modulated radiotherapy. (Didactic Lecture)	Speaker: Dr. Arindam Bhowmik, MD. Moderator: Dr.H.K. Daru, SR, Department of Radiotherapy
	3. A rare case of GIST. (Clinical Case Presentation)	Speaker: Dr. Sudip acharjee, PGT, Department of Raio-diagnosis. Moderator: Dr. Asim De, Assoc. Professor, Department of Raio-diagnosis.
29/01/2020	“Some Paediatrics Problem in UK” – Are we missing in India? (Didactic Lecture)	Dr. Anjan Chakrabarty MBBS, DCH, MD (Paediatrics), MRCP (Ireland), FRCPCH (London), Honorary Senior Clinical Lecturer, Imperial College of Medicine, London.
04/02/2020	Introduction & Epidemiology (Didactic Lecture)	Dr. Subrata Baidya, Assoc. Professor, Department of Community Medicine, AGMC & GBP Hospital
	Clinical features & Management (Didactic Lecture)	Dr. Anjan Das, Associate Professor, Department of Respiratory Medicine, AGMC & GBP hospital
	Lab. Diagnosis & Preparedness (Didactic Lecture)	Dr. Tapan Majumder, Assoc. Prof, Microbiology, AGMC & GBP hospital.

The bi-monthly CME held at Agartala Govt. Medical College

Date : 28.02.2022

Venue : Lecture Hall – II

Didactic Lecture :

Topic : **Concepts in Assessment in CBME: What's New?**

Speaker : Dr. Abhijit Datta, Prof. & Head, Deptt. of Pathology & Coordinator, MEU.

CPC Session :

Topic : **Loss of Vision in a Child : A Clinical Experience of a Brief Journey from First Encounter to Final Diagnosis.**

Speaker :

- Clinical history & features - Dr. Rathindra Das, Asstt. Prof., Ophthalmology
- Radiological features - Dr. Tanusri Debbarma; SR, Deptt. of Radiodiagnosis
- Pathological features - Dr. Alpana Banerjee; Assoc. Prof., Deptt. of Pathology

Date : 10.03.2022

Venue : Lecture Hall – II

Didactic Lecture :

Topic : **Anatomy of Thyroid gland and applied aspects ?**

Speaker : Dr. Snigdha Deb, 2nd Yr. PGT, Dept. of Anatomy, AGMC.

Moderator : Dr. Manirul Islam, Assoc. Prof., Dept. of Anatomy, AGMC.

CPC Session :

Topic :

Speakers : Dr. Nitin Murasingh, 2nd Yr. PGT. Of Gen Surgery, AGMC

Moderator : Dr. Diptendu Choudhury, Assoc. Professor, Dept. of Gen Surgery, AGMC

Date : 10.03.2022

Venue : Lecture Hall – II

Didactic Lecture :

Topic : **Physiology of Pain and Applied Aspects.**

Speaker : Dr. Arindita Saha, 2nd Yr. PGT, Dept. of Physiology, AGMC

Moderator : Dr. Aghore Debbarma, Associate Professor, Dept. of Physiology, AGMC

CPC Session :

Topic : **A Complicated Case of Autoimmune Disorder.**

Speakers : Dr. Abhishek Chakraborty, 2nd Yr. PGT, Dept. of Gen Medicine, AGMC

Moderator : Prof. (Dr.) Pradip Bhowmik, Professor, Dept. of Gen Medicine, AGMC
